Notice of Change of Status

Dear Sir:

Briefly, by way of background, I have been employed by Rambus Inc. under an H-1B visa. Due to my visa status, I have been prosecuting the instant application before the U.S. Patent and Trademark Office under a Limited Recognition Certificate pursuant to 37 CFR §10.9(b) for Rambus Inc, the party which petitioned for my H1-B visa. A copy of that Limited Recognition Certificate has been filed in the instant application, and all other applications which I am prosecuting for Rambus Inc.

Please be advised that my visa status has changed to Legal Permanent Resident, and that I have requested registration as a Patent Agent. Since my visa status has changed, limited recognition granted to me pursuant to 37 CFR §10.9(b) expires automatically, and accordingly this notice is being filed promptly in all patent applications in which a copy of my limited recognition certificate has been filed.

It should be noted that a Request for Status Change from Limited Recognition to Registration as a Patent Agent dated Nov.

29, 2001 has been deposited with the U.S. Postal Service as first class mail on Nov. 29, 2001, addressed to the Office of Enrollment and Discipline.

Respectfully submitted,

Date: Dec 5, 2001
